

Turning in a Google Doc in Canvas

Before starting this procedure, you should make sure that you have your Google Drive open, and you can see your documents.

There is a video you can watch:

When your teacher gives you an assignment in Canvas, and you create a new Google Doc, either from making a copy of hers/his, or by creating a doc yourself, follow these directions for turning it in.

Click on the blue “Submit Assignment” button.

If you see the following screen, **please stop!**

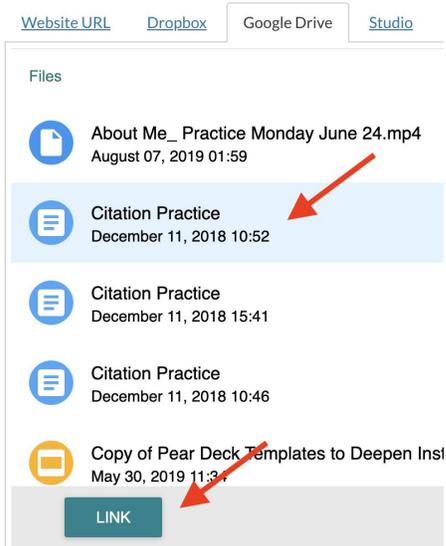

Follow the directions in the yellow box.

(“Go back” means you are going to look at your browser tabs and click the SSO tab.)

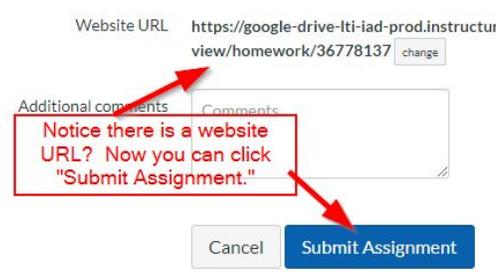

Now find your doc! You can either type in the title in the search box, or you can scroll down the list.

When you see it, click once to highlight, then click the Link button.

4. You will now see your doc's URL and a button that says "Submit Assignment" so click on it.

You are now finished! How do you know it really happened? The system will show a button that says “Resubmit Assignment” instead of “Submit Assignment.”
